Approval of the May 24, 2005 minutes Jack, Lawrence, Don .

Treasurer's report. Not present, audit available end of July.

- Charity status report done and mailed. Rianne and Judy.

Coordinator's report

- Lawrence is still taking bookings and will continue voluntarily.
- Okeover Harbor Authority wishes to meet here monthly.
- The Gazebo is still being broken into though nothing is taken. Lawrence bolted down the stage door. We must deal with the broken furniture. Fall fire.? Folk feast did well, cleaned up and paid their \$50 fee.
- There was a misunderstanding about the booking of the gazebo, some people think it is free. If it is a private event the cost is \$100.00 with \$50.00 returned if it is clean. If it is not clean and we have to do it, it is the extra \$50.00. This is still cheap. We will post this on the site so there are no more misunderstandings. We apologise and are still working on the rental agreement.
- Irrigation valve cover at the community centre was replaced.
- Plumbing in the women's washroom still needs attention.
- ½ the materials for the office partition are here. Drywall by Friday.
- Some minor vandalism. We need to wire snip the fence so there is no more free play on the roof.
- Water to the gazebo still needs to be addressed. Perhaps George Huber can help?

Facilities,Grounds,Maintenance

- There was a work party on the previous Friday and the grounds were mowed by
- Don, Sherry, Rianne, Amanda, Lawrence and later, Fernie.

Fundraising:

- Sherry and Rianne doing the July 15 Summer Muse as a fundraiser.

Goodwill

- The last dinner did not see Pat Hansen receiving \$20 for produce? Rianne will look after this.

New Business: Ann Snow regarding the new water wheel and information kiosk.

The kiosk and information bureau are open.. The water wheel is up but they need volunteers for July 14,15, 16. Jack volunteers some of his time.

Ann wishes to know if we are willing to do Lund Days. She is willing to do a taste of Lund as her and the Historical Society's portion of this event. After discussion we decide we do not have the community commitment to carry out this event. This is a realistic perspective but not a happy one. We wish we could do more but are dealing with volunteer burnout at this time.
